Subject: Comm v. [REDACTED]

Hi Max-

I'm under the impression that the [REDACTED] case may be on the trial list for tomorrow even though I never received a summons for it. Sharon Salem took a message from you on 11-30-11 requesting a discovery packet for the case and thought you might have mentioned 2-9-12, but, as I said, I've never heard anything else about the case. Is the case on for tomorrow? If so, I want to let you know that I have a case in Taunton District Court also scheduled for tomorrow and the ADA "anticipates it going forward". I'm not sure if she is going to have me on call or want me there at a set time yet, so I'm not sure of my availability. Thanks.
